

SUPA 16

Premium Textured 16% Protein Calf Meal

Looking for the ultimate finishing meal for your calves? Our Supa 16 is a 16% protein calf meal made to the renowned Supa Feeds standard. With the aid of our qualified nutritionist, we have specially created for a meal calves over 6 weeks of age and with a similar texture to Supa 20, the transition to Supa 16 is a breeze. Highly palatable, your calves will be crazed on this nutritious meal, bringing you unprecedented results.

FEEDING RECCOMENDATIONS:

Feed ad-lib, offering fresh product daily. Feed 200gms of meal per 10kg of body weight to ensure recommended intake of Bovatec®. Increase to double if severe coccidial challenge is expected.

Always ensure fresh clean water is available.

Suitable for calves and goat kids.

CAUTION: Contains 120mg/kg of Bovatec®. Do not feed or allow access of feed to Bobby Calves, Dogs, Horses (or other equids) or Alpacas (or other camelids). The consumption of this feed by the above may be fatal. Withholding Period > Meat: Nil.

SIMPLY THE BEST
